Admiral Roscoe H. Hillenkoetter
Director,
Central Intelligence Agency
2430 East Street N.W.
Washington 25, D.C.

Dear Admiral Hillenkoetter:

Our mutual friend [redacted] has told me of his chat with you during your [redacted] trip. I would like to discuss this with you the next time I am in Washington which will probably be sometime during the first two weeks of December as I have to come back for one or two meetings and to take care of some personal business matters.

I will get in touch with your office when I arrive but would appreciate a message from you as to a time which would be convenient. A message or communication addressed

I recall the pleasant talks we had during the summer of 1947 when I was trying to interest you in several young men that I thought particularly bright and shall look forward with a great deal of pleasure to seeing you again.

Yours very truly,
